International MSME Business Conclave

2025 Brings

www.bharatpreneurs.org

One Day Event Packed With

Overview

Since India's independence, small enterprises have been the bedrock of the country's economy. Currently, the Micro, Small, and Medium Enterprises (MSME) sector constitute nearly one-third of India's GDP. Over the past few years, this sector has blossomed into a thriving and dynamic economic force. It employs around 120 million people nationwide and contributes to about 45% of all exports from the country. A study titled "Back to the Grind" predicts a 7-9% increase in MSME loans for the industry in the current fiscal year.

We are organising this Event to bring together professionals, MSME & SME Owners, Investors and thought leaders from various sectors to share knowledge, insights, Networking and foster meaningful connections. The event will feature an exciting lineup of speakers, panel discussions, interactive workshops, networking opportunities, and great media presence.

The Conclave will begin with a Business meet. Influential figures, decision-makers, and thought leaders come together in a melting pot of ideas and discussions. Speakers from top companies will put forward their views on critical topics and discuss strategies in various panel discussions to keep up the momentum. Companies get platform to mark presence by showcasing their products, services, and get a chance to do face-to-face business networking and prospect business clients.
